David Ortega
Web Developer

Resume

Passionate full-stack developer skilled in JavaScript, HTML, CSS, PHP, Laravel, Tailwind, and React. Dedicated to creating user-friendly UI/UX interfaces and leveraging technology for positive societal impact. With expertise in both front-end and back-end development, I excel in crafting dynamic web applications that prioritize usability. A collaborative team player committed to continuous learning and innovation, I seek to contribute to impactful projects that drive positive change.

Experience

FullStack Developer
Dec,2020– jun,2022
- Designed and developed a responsive platform using JavaScript, HTML, and CSS, leveraging libraries like Tailwind CSS and Bootstrap for frontend aesthetics and functionality.
- Implemented backend functionalities utilizing SQL, PHP, and Laravel framework to manage product listings, user authentication, and transaction processing.
- Conducted thorough testing and debugging to ensure seamless user experience and secure transaction handling.
- Collaborated closely with stakeholders to understand business requirements and continuously iterated on features to enhance user engagement and sales performance.
- Provided technical support and maintenance, resolving issues promptly to ensure optimal performance and customer satisfaction.
